

# Sustainable Architecture & Design 2025/2026

## ENTRY FORM

Please fill in the four pages electronically and completely into the PDF and sign with a scan of your signature and, if available, firm stamp on page 3. Return this form with the requested material to [book@interiorpark.com](mailto:book@interiorpark.com). Thank you.

This yearbook is aimed at pointing to the most innovative and visionary solutions that make a distinct contribution to the development of building culture – regardless of their size, use and location. Our catalogue of criteria encompasses all relevant fields of transformatory development: Efforts of sufficiency, answers to the best possible use of resources, as well as circular processes and strategies, sociocultural aspects and biodiversity are the topics put into focus.

### Project description

Please include as a separate editable word document a **text not longer than 2,000 characters** that describes the brief, the idea/conceptualisation, the realisation/solution, materials used etc. Please put explicit emphasis on the sustainability aspects of the project and what attitude and strategy were followed.

It could also be interesting to share what worked and what did not work (well), e.g. with regard to new constructions or alternative choices of material, or other specifics linked to sustainability aspects.

Mind that this text is only used for research and selection processes and is not intended for publication.

### Photo credits

Company, name, location: .....

Website: .....

Please be aware that only credited photos will be published. Copyrights, rights of use and licences have to be clarified before submission. The publisher will not pay any fees.

### Photographs

Please send us **10–15 printable digital photographs for selection** (300 dpi, CMYK, PSO coated v3 / FOGRA51).

We will need images both in portrait and landscape format. File names:

Company\_Project name\_Image\_Number.tif/jpg.

Please transmit the files via download link (WeTransfer, Dropbox etc.) to [book@interiorpark.com](mailto:book@interiorpark.com).

### Plans

Please include **1 or 2 renderings / sections / floor plans** as printable vector-based graphic (preferably black & white, clear and simplified structures without any text or dimensions). Pixel-based formats in line drawings are not suitable for printing. File names:

Company\_Project name\_Plan\_Number.tif/jpg.

Please transmit the files via download link (WeTransfer, Dropbox etc.) to [book@interiorpark.com](mailto:book@interiorpark.com).

### Digital bonus content (optional)

Our image recognition app [ayscan](#) gives you the opportunity to offer the reader access to videos, interviews, streamings, making-ofs, etc. regarding your project. For this purpose, we need you to email us **up to 5 weblinks**, e.g. to video platforms like YouTube or Vimeo, landing pages of your firm or the customer, or send extra image files (no video!) for us to embed as a gallery for browsing.

**Deadlines**

Projects for "Sustainable Architecture & Design" can be submitted at once, but **not later than April 30, 2025**.

**Selection**

The authors and publishers will make an independent and final choice in **May 2025**.

**Copyright | Confirmation of authorship**

We herewith confirm that the above information is correct. We also confirm to be in possession of all rights relating to the photos and plans submitted to an edition for the publication "Sustainable Architecture & Design". We grant an edition the transferable rights of use, unrestricted as to time and place for the use in the publication, licences and co-editions thereof as well as for press and marketing purposes. We further confirm that we do not infringe the rights of third parties by providing the images and that we have clarified these rights in advance. We also confirm that we are sole author of the projects submitted and that no copyrights of third parties will be infringed. Consequently we will indemnify the publisher against any claims of third parties including any legal costs or expenses and any compensation costs and disbursements paid by the publisher to compromise or settle any claim.

**Contract partner**

In case of publication contract partner will be:  
av edition GmbH | Verlag für Architektur und Design  
Senefelderstr. 109  
D-70176 Stuttgart  
Register court: Amtsgericht Stuttgart  
HRB 747066

The exclusive place of jurisdiction for disputes arising from and in connection with this contract is the registered office of the publisher. All claims arising from or in connection with this contract shall be governed exclusively by German law.

**Fees**

If the event is included in the book, we promise to buy at least **10 books at a special price of 50,- Euro per copy** plus shipping (retail price: 59,- Euro). – Please note that if you submit several projects of which several are published, the number of books to purchase will be determined **per project**. The amount will be due when the project is selected and on receipt of an invoice from the publisher. Before going to print, you will receive a proof of your pages for clearance. Delivery of the book and a free copy will be immediately after release in 2025.
